

## Unica Skin Care Salon – Reopening Rules

Hello Dear Clients!

I wanted to reach out one more time to update you on things going on at Unica in regard to COVID-19. **Please read this entire document as it contains a lot of really important information in order for you to come to your appointment.**

I WILL be opening on Tuesday, June 2nd! I am very excited to see all of you and catch up, although things will look a lot different than they have in the past. The Cosmetology industry has been given 28 new guidelines to follow and implement in order to open and remain open during this pandemic. I have gone over these guidelines more than I can count and will be following them. I have received all of the necessary EPA certified cleaning products and have been deep cleaning Unica to prepare for opening on Tuesday, June 2nd. As I always do, I will be doing a cleaning in between each client to insure each of you has the cleanest environment possible when you arrive. At this moment I'll only be seeing 3 clients per day, hopefully this will help me readjust to the new normal.

Here are the new rules:

- Please stay in your car once you arrive. You can text me (770) 633-7297 to let me know you are in the parking lot and I will text you back to let you know when I am ready for you to come in. I will meet you at the front door.
- Please arrive wearing a face mask, and plan on wearing it during your entire service if you are having your brows waxed, otherwise, you will remove your mask after entering my room. I am also required to wear a mask and will be wearing one during each client's appointment.
- I have hand soap and hand sanitizer in my office; please use it upon your arrival. There will also be hand sanitizer in the lobby area.
- I'll be taking your temperature with a touchless thermometer, if your temperature is higher than 99F, we'll have to reschedule.
- Please do not bring anyone with you to your appointment; I am not allowed to have more than one client at a time in my room. The only exception to this is minors who will be receiving a service. The minor receiving the service and one parent will be allowed in the room together.
- I'll be limiting talking to you during your service. I'll be using a mask, but you won't. Due to the close contact we have during Facials and Facial Waxing, it is not an ideal situation to be talking to someone so close to your face. That way we are protecting each other from contamination.

- I have turned off the signature option for my square payment so that you don't need to hold my phone.
- I will not be using the steam on my facials, having air blown by the steam can cause some people to feel the urge to cough and can spread invisible particles in the air, but don't worry, we can still have a great facial without it.
- I will be using disposable gloves throughout all services, including massages.
- If you have not been feeling well, experiencing symptoms of COVID-19, or been around someone with COVID-19 or symptoms of it, I ask that you please reschedule your appointment for a minimum of 14 days after not feeling well or being exposed. It is so important that we are honest with each other regarding our health situation. I'm doing everything in my power to insure I provide a safe environment for each client and also want to make sure we are all safe when we go back home to our families.

Finally, [please click here](#) to see the waiver that I am asking each client to print, sign, and bring in with you to your appointment. I have consulted with an attorney regarding this and have been advised it is the best practice for the time being. Please read it carefully before signing it. I will ask for it before performing any services. If you do not have a signed waiver on file, I will not be able to perform services on you.

I realize this is a lot of information and a lot of change. I know some of it is not ideal but unfortunately, this is our reality. If you are not comfortable coming into Unica right now, or cannot comply with the new rules, I completely understand and respect your decision. I will also send out a text the day before your appointment to remind you of some of these guidelines.

I'm so thankful for each and every one of you!

Thank you again! I look forward to seeing all of you very soon!
